

GENERAL INFORMATION

Whether you are a member of the RSPB or not, you are warmly invited to attend meetings of our local group. We aim to further the work of the RSPB, increase your enjoyment of birds and provide a local focus for birders.

We hope you will enjoy our programme of indoor meetings and field trips and we look forward to seeing as many of you as possible.

Just visiting the area? Do join us, even if it's only for one evening or one field trip! You'll be very, very welcome.

Why not introduce a relative or friend to the group?

Should you require further details regarding the Group or any of its activities, please contact the leader or any of the committee members.

Your committee always welcomes constructive comments and suggestions.
